

The Cuby News

Publication by The Shire of Cuballing
PO Box 13 Cuballing WA 6311

Monthly publication for Cuballing, Yornaning and Popanyinning

September 2018

On 25th August the Popanyinning Progress Association held their annual Bonfire Night. The Day started at 2.30pm with the Boddington Ride on Racing Mowers Club.

Spectators from all around the district came to watch the mowers turn it up.

Racing around the tyres and barrels was not easy feat as the guildford grass made the track extremely slippery.

The Reaper driven by Brad Hewton found out the hard way rolling his mower halfway through the meet. Lucky for Brad he was unscathed but his mower wasn't so lucky with the front handle bar snapping.

A bouncy Castle was set up on the tennis courts to keep the kids entertained and at 5.30pm the Popanyinning Bush Fire Brigade lit the massive bonfire.

Approximately 85 people enjoyed the warmth of the fire while listening to the live band Déjà Vu.

THE DEPUTY PRESIDENT'S PEN

Driving through Cuballing yesterday I noticed a pile of rubbish dumped near the entrance station south of town. It beggars belief that someone would stop their car near our fabulous horse and think "Yes! this is the perfect place to have a car clean out – let's get rid of all these bottles and papers and why not chuck out the dirty nappies too?!"

Litterbugs are an alien species to 97% of us, but the other 3% of the population, who have no respect for the environment or anyone else's efforts to keep things tidy, certainly make a mess. As Main Roads have lost funding to clean up the Great Southern Highway, the amount of litter building up along it is sad to see, with the areas with the most rubbish those that are one or two drinks away from the roadhouses, shops or pubs.

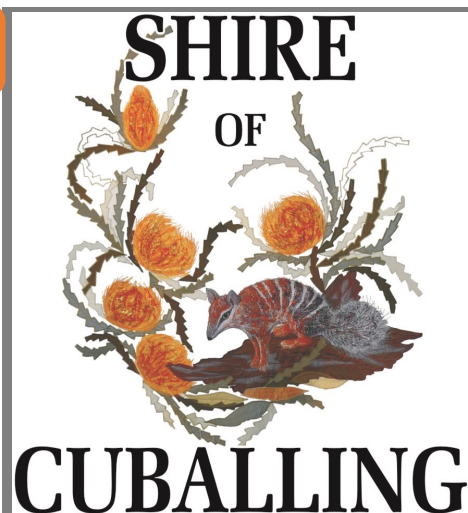

Council is therefore delighted that the new Cuballing Action Group is taking on rubbish in the shire, with their first Clean Up day set for the 9th of September at 9am. What a great initiative! If you are available on the day, go and lend them a hand!

The Keep Australia Beautiful Council WA is the organization that prosecutes litterbugs, as well as their Keep Australia Beautiful campaigns. If you register with them, you are able to report people littering or dumping rubbish from their car or trailer anonymously on line, or over the phone. There are over 13,000 litter reporters registered in WA. The link to the site is: <https://www.kabc.wa.gov.au/report-littering/register-as-a-litter-reporter>

Last week saw the signing of a five year community investment agreement between Newmont Mining and the Peel Harvey Catchment Council. Newmont mining is contributing \$500,000 over five years to support natural resource management in the Hotham Williams Catchment (the upper part of the Peel Harvey Catchment). Activities associated with this funding include a study of the Hotham and Williams Rivers, increased biosecurity in the upper catchment (i.e. feral pig, cat and fox control), community projects, landowner grants and restoration of the Hotham and Williams Rivers.

The Hotham Williams catchment covers parts of Boddington, Wandering and Williams and all of Cuballing. This agreement is great news for our area. For more information about the agreement or if you have a project in mind, contact Mel Durack, Program Manager for the Hotham-Williams Catchment Council on 0455 166 780.

PUBLIC NOTICES

APPLICATION FOR A GATE PERMIT – UNNAMED ROAD RESERVE – TOWNSENDALE

Schedule 9.1(5) of the Local Government Act 1995 allows a local government to grant approval for a gate to be placed across a road. A person may apply to the local government for permission to have across a local government road a gate or other device that enables motor traffic to pass along the road and prevent livestock from straying.

The Shire of Cuballing of Cuballing has received a request from to install a gate across the unnamed road reserve between Nottles and Townsendale Roads because of security concerns. Details of the proposal are available for inspection at the Shire of Cuballing Administration Centre at Campbell Street, Cuballing

Comments on the proposal may be submitted to the Shire of Cuballing in writing on or before Monday Friday 7th September 20182018.

Planning & Development Act 2005 NOTICE OF PUBLIC ADVERTISEMENT OF PLANNING PROPOSAL

Council is considering an application to permit a Shop and Storage (sale and storage of firewood, sand, gravel and mulch), sheds and sea container at lot 120 (No 1) Ridley Street, Cuballing.

Details of the proposal are available for inspection at the Shire of Cuballing Administration Centre at Campbell Street, Cuballing.

Comments on the proposal may be submitted to the Shire of Cuballing in writing on or before Monday 10th September 2018.

CUBALLING WA 6311

ROADSIDE TREE PRUNING & MULCHING IN CUBALLING

The Shire of Cuballing will be undertaking roadside tree pruning and mulching in the town of Cuballing commencing Monday 3rd September 2018. This work aims to make our town streets safer and prune trees that are growing over roads and intersections.

The roads to be treated include Cuballing East Road and parts of Munro Street, Clarke Street, Rose Street, Smith Street, Beeston Street and Darcy Street.

Shire staff and contractors will be completing this work for approximately 2 weeks between the hours of 7.30am and 4pm on weekdays. This work will use heavy equipment, will be noisy and will involve traffic control, all of which may cause disturbance to residents.

Once the work commences, the Shire will keep local residents informed daily about the progress of the work through the Shire website and Facebook page.

Residents who have individual concerns or wish to discuss this project further should contact the Shire office 08 9883 6031 or Acting Manager Works & Services Anthony Mort on 0429 898 214.

AUGUST COUNCIL MEETING UPDATE

Cuballing Golf Course Lease

Council has offered a lease agreement to the Cuballing Golf Club Inc over the Cuballing Golf course. The Cuballing Golf Club has maintained and developed the Cuballing Golf course for over 50 years without a formal agreement, but uncertainty has arisen over the ownership of buildings and the ability to insure the buildings on the Golf Course.

The lease conditions reflect the past relationship between the Shire and Golf Club. Under the lease agreement the Shire of Cuballing will continue to insure the buildings and the Cuballing Golf Club will continue to insure any building contents, pay for the ongoing building maintenance and pay the utilities at the Golf Course.

Fast Fill Bush Fire Trailer

The Shire of Cuballing has been successful in obtaining grant funding to purchase of a new Fast Fill Trailer for the Popanyinning Bush Fire Brigade. The fast fill trailer is used to quickly fill fire trucks from local water sources such as dams at a fire.

Wardering Sub-division

Council has not supported a subdivision of a rural property in Halls Road, Wardering. The West Australian Planning Commission sought comment from Council on the proposed subdivision to create a 12 hectare homestead lot from a 60 hectare property.

Council did not support the proposed subdivision because, although the subdivision was in keeping with West Australian Planning Commission policy, Council thought the creation of the two lots was contrary to the principle of ensuring ongoing agricultural production in the General Agriculture zone of the Shire of Cuballing.

List of Payments in Website Minutes

Council has adopted a policy to not disclose the full list of payments in the Minutes and Agendas of Council meetings published on the internet. The

policy will remove creditors names from documents published on the internet to increase the difficulty of cyber criminals to pose as those creditors to extort money from Council through a false invoice or the like. This type of fraud has been successful at a number of businesses and local governments much larger than the Shire of Cuballing. The full payment list is available at the Shire of Cuballing for interested local ratepayers.

Tourism Activities

Council has considered their role in providing support to tourism in the Shire. Council will:

- Continue to financially support of the Dryandra Country Visitors Centre. The Shire's of Narrogin and Cuballing both financially support the Centre.
- in 2018/19 develop and produce a range of local tourism brochures that focus on environmental, heritage and general Shire of Cuballing topics;
- in 2019/20 look to develop a local tourism internet/social media presence to display brochures and advertise local events/activities;
- permit basic promotion of local tourism businesses in Council tourism brochures. This promotion could include the business name, contact details and photographs if suitable;
- continue to investigate opportunities for low cost, free camping on Shire of Cuballing property by self-contained camping vehicles for overnight stays in central locations in the Shire of Cuballing where local businesses could receive benefit from such tourism;
- look to assist direct promotion of local real estate at events that attract visitors into the Shire of Cuballing; and
- provide in-kind support to local events that attract tourists. Such support includes traffic management at events at the Dryandra Regional Equestrian Centre and at the off road racing held in Cuballing.

Office Opening Hours:

VOLUNTEER GRANTS 2018 - OPEN FOR APPLICATIONS

The Australian Government is inviting applications via an open process to apply for funding to support volunteers under the Volunteer Grants Activity.

Volunteer Grants aim to support the efforts of Australia's volunteers by:

- providing small amounts of money that organisations and community groups can use to help their volunteers
- forming part of the Government's work to support the volunteers who help disadvantaged Australian communities and encourage inclusion of vulnerable people in community life.

eligible individuals and not-for-profit community organisations. This funding can be used to:

- purchase eligible small equipment items for use by volunteers
- contribute to volunteers' fuel costs
- contribute to transport costs for volunteers with disability who are unable to drive
- assist with the costs of training courses
- undertake background screening checks for volunteers

More information can be found at www.grants.gov.au

The Volunteer Grants 2018 funding round will provide funding of between \$1,000 and \$5,000 to

Applications close at 2:00 pm AEST on 18 September 2018

At least one class will be held in Popanyinning
Places Available — Starting November 2018

Digital Literacy Workshops for Older Australians (DOLA)

The Shire of Cuballing have been successful in obtaining Federal Government *Be Connected* funding to host free digital literacy workshops for older residents. The workshops will be an informal workshop to improve peoples skills in digital technology.

Over a five week programs, participants will learn the basics of how to connect online, including how to:

- use a digital device
- be safe online
- send emails
- use Facebook and other social media
- shop online
- share holiday photos with family, and much more.

Each weekly workshop will last for about 1 hour.

The Shire is now looking to set workshop schedules. Workshops can be held in Popanyinning and Cuballing.

If you are interested in improving your computer and digital technology skills please register your interest to Michelle Atwell, Community Development Officer, at the Shire Office on 9883 6031 or cdo@cuballing.wa.gov.au

Landcare matters

Hotham-Williams sub-catchment update

Edition 24
September 2018

NRM is the management of natural resources such as land, water, soils, plants and animals. It brings together land use planning, water management, biodiversity conservation and sustainability of industries such as agriculture, mining, tourism, fisheries and forestry.

Hotham-Williams Projects Launch

A successful event to launch the Newmont-PHCC Community Investment Agreement (CIA) "Hotham-Williams Rivers & Tributaries' Natural Resource Management and Conservation Project" and The Memorandum of Understanding (MOU) between PHCC and the Shires of Boddington, Cuballing, Wandering and Williams was held on the 16th of August.

The Newmont-PHCC CIA will see \$500,000 invested into the Hotham-Williams subcatchment over 5 years by supporting our NRM Officers. A component of this will be for on-ground works to specifically relating to rivercare studies and restoration works.

The MOU with the Shires will see up to \$40,000 per year over 5 years (subject to yearly budget approvals) to support PHCC to continue to build NRM capacity in the Hotham-Williams.

Over 30 guests attended the launch to celebrate these significant partnerships which will enable further PHCC resources to work with the Hotham-Williams community and deliver worthwhile projects. The day concluded with a tour of Newmont's Hotham Farm Restoration Project site.

We need your help to find Bridal Creeper

Friends of the Reserves – Boddington (Inc.) have a \$50 voucher up for grabs for people who report Bridal Creeper sightings within the Shire of Boddington as part of their State NRM funded Camballing Reserve Project. It will be drawn on 3rd October.

For more information how you can get involved phone 0455 166 780 or email nrm.support@peel-harvey.org.au

PHCC's Kate Barr talking all things Bridal Creeper at a recent information session

Do you have an NRM event you would like us to promote? Please contact Mel Durack at melanie.durack@peel-harvey.org.au or 0455 166 780

Full steam ahead...

PHCC is pleased to advise that we have been selected as the Service Provider to deliver the Regional Land Partnerships program on the behalf of the Australian Government within the Peel-Harvey Region Management Unit until June 2023. Australia wide 47 organisations have been selected as the successful tenderers for the Program.

PHCC will play this important local role as part of the second phase of the Australian Government's National Landcare Program.

We now look forward to negotiating work orders for projects with the Australian Government. Watch this space for more details on the first year projects.

CUBALLING VOLUNTEER ACTION GROUP

The Cuballing Volunteer Action Group was formed on July the 11th. The aim of the Cuballing Volunteer Action Group is to discuss and action future projects within Cuballing.

Do you have a project in mind that will benefit the Cuballing town and its people? Join us at the next meeting.

The Cuballing Volunteer Action Group welcomes any new volunteers from within the Shire of Cuballing to their next meeting Wednesday 5th September 2018 at 7pm in the Cuballing Rec Centre.

RUBBISH COLLECTION

The Cuballing Volunteer Action Group have put their first community project into gear. After much discussion we believe our first project of rubbish collection will benefit and beautify our community. As most residents will notice the amount of rubbish that is making itself home on the side of the road.

With the support of Main Roads Narrogin and the Shire of Cuballing we have decided to tackle the Great Southern Highway. Starting from the skate park on Ridley Street then heading south to the Sugar Gum B&B.

Date of Clean up : 9th September 2018

Meet at the Cuballing Skate park at 8.30am for a short debrief and to collect your safety gear. Rubbish collection will start at 9am

A sausage sizzle lunch will be provided to the volunteers after the rubbish collection.

If you can volunteer some time please register your interest with Helen Elliot on 9883 6090 or come and see us at our next meeting on September the 5th 7pm, Cuballing Rec Centre

CUBALLING WAR MEMORIAL *by Stephen Bowes*

John Raybould, as Next of Kin for a deceased soldier (the late Ernest George Raybould), was charged with completing a dour document titled 'Particulars required for the Roll of Honour of Australia in the Memorial War Museum' (now the Australian War Memorial Canberra).

John recorded that his son, Ernest George, for the Memorial's purposes, was a farmer connected with the Narrogin area. (He is commemorated on the local memorials of both Cuballing and Narrogin.) He was born in Barrow-in-Furness, Lancashire, England, schooled at St Pauls Belfast, and came to Australia as an eighteen year old.

One year after the outbreak of the Great War in Europe, and three months after the commitment of ANZAC troops to the Dardanelles, along with British, French and Indian forces, Ernest George Raybould enlisted at Perth in August, 1915. The compulsory medical examination revealed a man fit for service, 27 years and five months old, 5 feet 8 inches tall, 146 pounds, auburn hair, brown eyes, dark complexion. He belonged to the Church of England. In October at Blackboy Hill, Lt-Col Battye appointed him to the 6th Reinforcements, 28th Battalion as Private 2773.

As the Ulysses (HMAT A38) steamed out of Fremantle on November 2, 1915, she had on board men of the 6th Reinforcements, including Private Raybould. Following time in camp in Egypt, these troops were again on the move, leaving Alexandria on March 21, disembarking at Marseilles, after a six day voyage across the Mediterranean.

Pte Raybould joined the 28th Battalion in the field in France at the beginning of June, 1916. After a short secondment to the Australian Army Service Corps, he rejoined D Company of his infantry battalion.

Historian of the 28th Battalion, Harry Kahan records "The Second Pozieres Stunt" as follows:

"The battalion, commanded by Major Alan W. Leane, moved to its positions on the evening of August 4. The attack opened at 9.15 pm., the 27th Battalion on the right, the 25th in the centre, and the 26th on the left. There followed three days and nights of bitter confused fighting in an area so battered that OG2 had virtually disappeared. The enemy wire proved no great obstacle but Fritz fought with all his tenacity, skill, and intelligence and he took a heavy toll of the attackers. The battalions supporting role required it to carry ammunition, sandbags, tools, and other stores forward through the enemy's barrages, to dig communication trenches forward to the newly captured positions, and to send parties of troops to reinforce the attack where opposition proved strongest or where severe losses were sustained by the Australian defenders and they needed to repel counter-attacks. The weather was hot and dry and the scene a veritable charnel house."

Private Ernest George Raybould was killed in action between the 6th and 8th of August during this fighting at Pozieres. At the time of his death and burial, no personal effects were recovered for return to his family. However, after the Great War, during the 1920s, his body was exhumed from his grave in the vicinity of Pozieres and some items were recovered: "two discs, watch and strap stamped, partly illegible". These were returned to his parents, John and Mary Ann, who lived in Heytesbury Road, Subiaco. Private Raybould now lies in Serre Road Cemetery No 2, Beaumont Hamel, Picardie, France. The inscription on his headstone reads: "THERE IS A SPOT FOREVER ENGLAND'S".

GOLF NOTES

Guess who's Back? Bringing the Sports to your eyes only

All the Big names in Golf . All the action and all the fun in the sun ,yes that's right at this time of year is the best golf around on all the courses that make or crush the players dreams.

July and August is all the Open weekends and for Cuballing we hate not going to other clubs and enjoying the county hospitality and also playing their golf course while the grass is at its best and conditions are in the players favour.

We start over at Wickepin. The usual crowd goes over in a little school bus armed with the best intentions of coming home with some piece of history in their hand.

Captain Howe, Bolts, LG Sportspower and Baker boy McLeish scramble out of the bus and make their presence aware. Smashing down Vegemite rolls and jubilee twist getting the food boost before Tee off the banter between players from around the association is tense. Tee time is on and before you can say fore balls are going left, right and centre. The next 18 holes will be tough and lots of work put in to get a score that might get a mention at presentations and with that I'm pretty sure that winners are grinners and losers just boozers. Yes, you thought right Cuby was just supporting the Wickepin Club with numbers and bar takings. A great day by all reports. After the golf club, Wickepin footy club had an afters do and our band of heroic warriors joined them for some very bad karaoke singing that probably won't get to the doors of X factor. Very unfortunately for captain Howe who must go back to his normal job.

Next up on the Pro circuit was Williams that host a 30-hole event stableford that is the making of a good work out of all the bodies working parts. Tee off is at 8.30 am and finish is around the 4.30pm time. Plenty of time to see all the bird life in the bush and go through your kit of balls and clubs because the fitness needed to push on through 30 holes is usually not everyone's strong point.

Somehow we manage and yet again Cuby is making up the numbers and catching up with old friends and having a good chat. Besides taking a couple of novelties home from one good shot for the day or a good putt the Cuby war heroes go home empty handed. Better luck next year.

Wandering up next and myself and Lindsay George go over to one of the nicest golf courses in the Great Southern Association and with good rain this year the fairways were lush and like carpet. Wandering is or was a 30-hole event, but the club has changed to a 18 hole event with is good if having a bad day because the end (club house) gets closer by the minute. The event is the Moritzen Cup and this massive cup has been around for years. It has history like all clubs but this one has World War History associated with it as well. The Trophy itself is on of the heaviest and expensive bits of glory that I've seen around the golfing traps. Back in 2003 I was luck enough to win the event and now its just a memory, but we still go to try get our hands on it.

The day was awesome with the sun shinning and the fantastic surrounds making us want to play good golf, just what the course was there to offer. This was not the case form me but its not about me its about my mate LG Sports power that was the last group in and Lindsay had the winning nett score that too=k the goods home with a 71 nett. You may ask that's not that good but if you play Wandering on a stroke round going off the fair way can penalize the golfer with many shots to get out of the trouble they got themselves into. The trip home that night was all cheer because Cuby has had a win.

GOLF NOTES

Weekend of the 17th and 18th of August was Cuballing's turn to host our open weekend and yet another fine weather event was given to us by the golfing Gods.

On Saturday the club had 38 pairs play a 4BBB Par 18 holes. The players came from everywhere and enjoyed our hospitality and good cheer. A lot of players have been part of our Cuby club in the past, and a lot of players are always coming back either to try take out trophy's or just see what's changed from then to present day.

With a full Golf Course of golfers, the vibe was electric with the sound of laughter and cheer as a good shot was made. People coming and going in and out of the club house form a scrumptious lunch and of course the glory of taking a prize home.

Groups were in by 5pm but there was 1 group yet to come so the tally of winners could not be finalized until all cards are processed. In they come, and the winners emerged for the 4bbb par.

Nett Winners : + 10 Brett Blechyden and Clem Nottle

Runners up: Shane Boothey and Dale Hamilton + 9

3rd on a count back: Paul Harris and Graeme Wyllie + 8

4th Gary Soby and Graeme Dent

Gross winners were: Raff Corasaniti and Wayne Palumbo with a - 3

Runners up: Noel White and Ron Coppock on a score of + 3 on a count back from Tom Hardie and Ryan O'Dea

Vets winners: Joe Wnuk and Ian Edwards and runner up veterans were Stan Matvee and Richard Chadwick.

Sundays 18 hole stroke CUBY CUP with 48 men playing. Winners were

Mick Williams from Boddington with a 63 nett

Runner up Mick Anton 66 nett

Gross winner: Brett Coxon with 72 of the stick Brett is on a 2 Handicap

Runner up: Wayne Palumbo 75 nett Wayne is on a 7 Handicap

Also, on this weekend were 14 Ladies played a stableford event for the Ladies Cup

Winners were: FE Thompson from Wagin with 42 pts

Runner-up: Sue Short with 40 pts

Gross winner: Carol Hardie

Great golf everyone.

There were many other small prizes and thanks to all players that supported Cuballing. A big thanks goes out to all our Sponsors for the weekend. A special thanks to the Cuballing ladies that fed and watered the exhausted golfers. The weekend was huge, and fun had by all. Congratulations to all the winners and don't give up to all the other players.

Thanks all for coming and see you all next addition of GOLF NOTES. PS one day I might WIN .
