CUBALLING CRICKET CLUB

Many thanks for the "Cricket Legends" who have supplied information regarding the 1990-91 B Grade Premiership photo. We are making progress with this.

The next request we have is that we are looking for an original of the attached photo. This is required for a larger print to be made so this can be framed and put in the Hall of Fame at the Tavern.

Hoping someone can help or you may know of someone who may have a photo. The attached photo has been copied from the one in the Narrogin Observer, but sadly the players' faces are not all recognizable.

If you can help in anyway please phone Margaret McAuliffe on 98811 337 (AH) or email farm1957@outlook.com.

Cuballing win A Grade cricket premiership

In a low scoring Narrogin Cricket Association A Grade grand final Cuballing recorded a comfortable win to claim the premiership last weekend.

However they did not have it all their own way.

Towns won the toss and sent Cuballing in to bat, which at first appeared to be a good move.

Cuballing lost early wickets which was the result of some tight bowling from Geoff Whitehorn and Bernie Maley.

Todd Dowling and Gavin McBurney steadied the ship for Cuballing taking the score to 76 for the loss of four wickets.

Royce Dowling was the only other Cuballing batsman to offer any resistance as they were bowled out for 148.

Royce Dowling scored 36, Todd Dowling 31 and Gavin McBurney 28.

Geoff Whitehorn was the pick of the Towns' bowlers taking 4/36 and Danny Kain also took 2/23.

One hundred and forty eight appeared to be a very gettable score however this just was not to be the case as Towns were bowled out for 107.

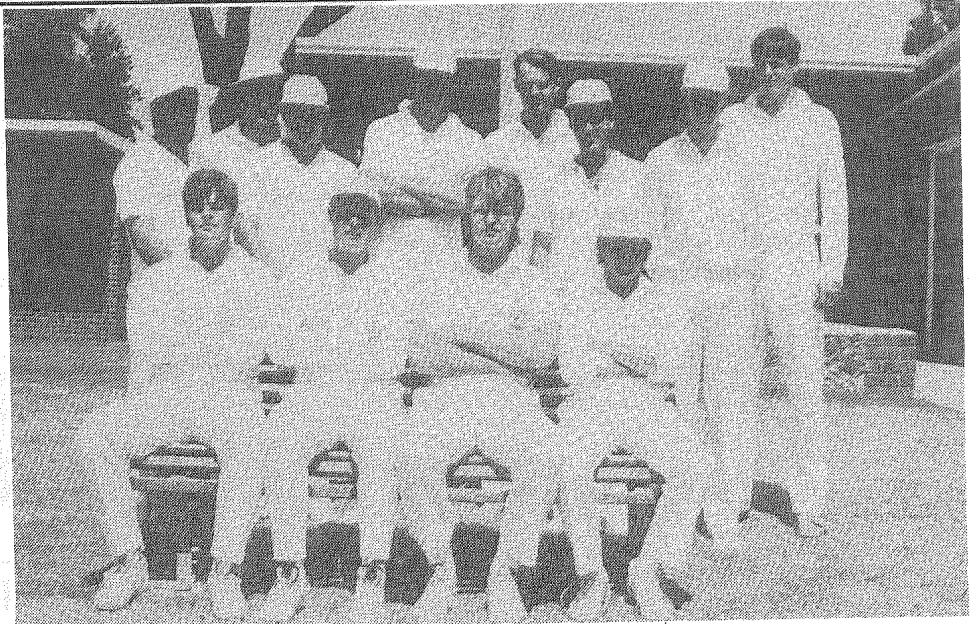

Rex Milentis, Tony Carew-Reid and Geoff Whitehorn were the only batsmen to reach double figures.

They scored 30, 18 and 20 respectively.

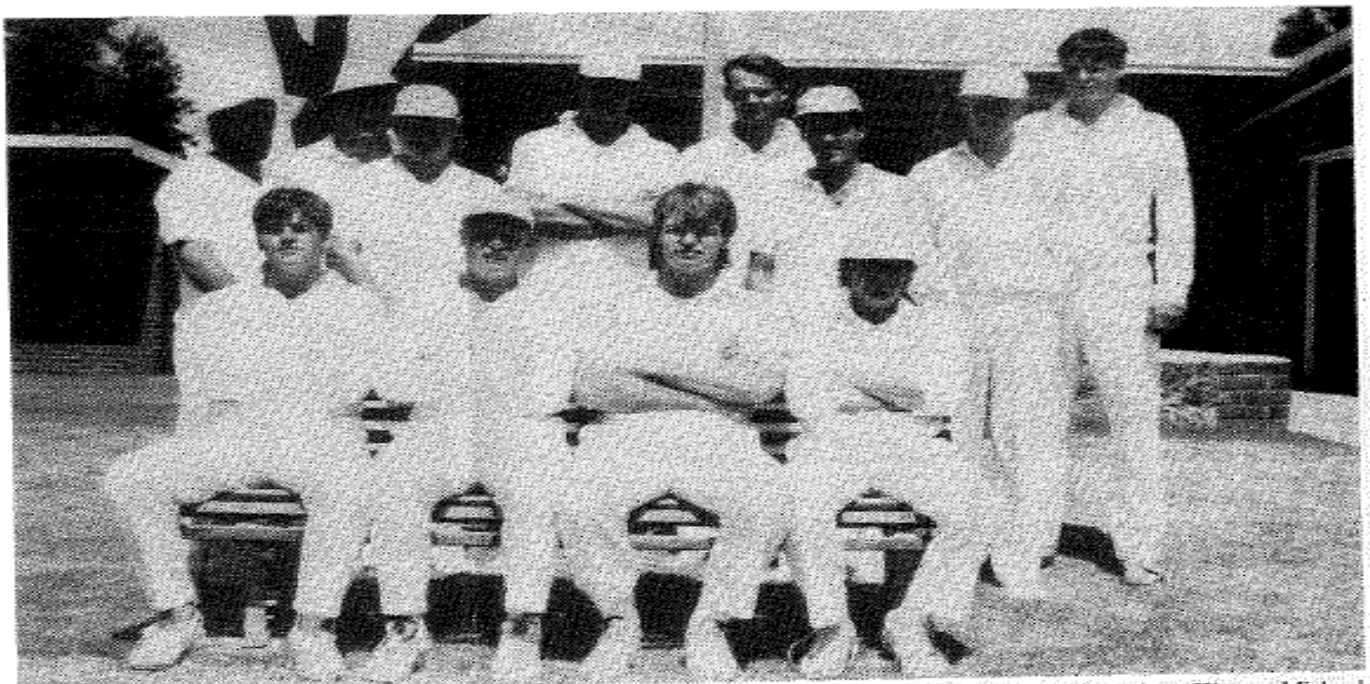

Todd Dowling was the best bowler for Cuballing taking 3/9 off 10 overs.

Graeme Sexton also took three wickets in an excellent bowling performance.

Todd Dowling was named man of the match.

Golf Notes - June 2020

Welcome back sports fans, to another monthly wrap up of all the goings on at the Cuballing Golf Club.

We kicked off the month of June with a Par round sponsored by Narrogin Pumps Solar & Spraying. The day was warm and the flies were gone but the mozzies quickly took their place. Winner for the day was yours truly on +5 (Countback) and Runner Up much to his disgust was Anthony Howe with +5. Rounding out the top 3 was Mick Anton on +4.

**NARROGIN PUMPS
SOLAR AND SPRAYING**

With an update to the COVID restrictions kicking in at midnight following the Par day we altered the fixtures and resumed normal play. The Foursomes Championships were next up, pick your partner and play the alternate shot. Some interesting golf all round. Some monster shots and equally some rather ordinary ones. The Gross Winners were Scott & Dale Ballantyne with 82 and the Nett Winners were Anthony Howe & Nigel Parks with 75.

Our 2nd Qualifying Round was sponsored by the Cuballing Roadhouse. It's amazing the mental state a round of count em' all can put a golfer in. 21 people teed off and there was one person who was not going to let anyone get in his way of winning the day. That's right, Cuballing Golf Club Royalty Mr Bevan Watson came in with an outrageous 87 Gross 64 Nett. Runner up was Nigel Parks with a 97 Gross 73 Nett. Bree Mumby took out the ladies prize with an 88 Nett, well done Bree.

Cuballing Roadhouse

With the COVID restriction easing further the Great Southern "Pro" Tour kicks off this weekend (4th & 5th July) with the Great Southern Championships on in Wagin. Two days of Stroke to find the best golfers in the association. The following weekend (12th July) the Lakeview Golf Club holds their 4BBB Open Day. The Narrogin Cup will be on as usual with the 4BBB on the Friday (17th July) and Stroke on Saturday & Sunday (18th & 19th July).

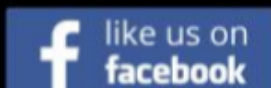

While we enter this phase of the season with different events being on around the association please remember that there will still be golf on at Cuballing however, it will only be Stableford Sweepstakes. We want to make sure we support other club especially in the current scenario. So if you can get out there and show your support, and let them know that the Cuby Open will be on in August.

Happening around the course: it is now nice and green meaning mower man Peter George will be making sure the fairways are in tip top condition, if you're out on the course while he is mowing please be mindful of where you are hitting and if you can leave the scrapers on the green to the side so he doesn't have to move them. We have also installed all the new cups and flags, some are still a bit tight so if are emptying the sand out please twist the cup while pulling it out. We have also taken delivery of our new signs for the Tee Boxes, the plan is to get these installed prior to our open weekend. Thanks again to Brett at Connelly Images for all the work he has put in, even donating a new sign for the entrance, cheers Brett! With the COVID restrictions now easing the bar has also re-opened and we will continue to ensure we comply with the ever changing restrictions.

Stay tuned for the next instalment of Golf Notes in the next edition of The Cuby News.
