Publication by the Shire of Cuballing  
PO Box 13 Cuballing WA 6311

Monthly publication for Cuballing, Yornaning and Popanyinning

July 2022

Popanyinning is one of the few places that has two cemeteries, one that is in use today ( I am sure many of us can tell the stories of the hard work that was made to re opened after it was closed) and a pioneer cemetery which stopped been used in 1911.

For anyone wanting to visit the Pioneer Cemetery it is located at the end of York street in Popanyinning. For years a local Popanyinning family have kept watch over it and tending to the graves when needed.

In late 2021 Outback Graves (a not for profit organisation who are working tirelessly around Western Australia to bring a story and name to every unmarked grave) contacted the Shire of Cuballing after they stumbled upon the cemetery, they were very keen to supply engraved plaques for all graves located along the river bed.

On Wednesday the 8<sup>th</sup> of June this project finally came to fruition with the team from Outback Graves meeting on site to proudly install the newly engraved plaques next to original headstones or for the ones that didn't have headstones, in the place they are believed to be graves.

Thank you to the team for their hard work and dedication on this worthy project. If you would like further information on Outback Graves please visit [www.outbackgraves.org](http://www.outbackgraves.org)

## PRESIDENT'S PEN JULY

This month has seen Cuballing take part in the first session of the Community Builders Program, an initiative of Rural Aid Australia. Along with eleven other wheatbelt shires, Cuballing and Popanyinning's representatives will be involved in a series of workshops that aim to build more positive and sustainable communities. We hope to that by sharing ideas and becoming exposed to what other communities are doing worldwide, we can develop some new projects and initiatives within the shire and work better with our neighbours for a more vibrant wheatbelt community.

The Community Builders Program is a good timing for Cuballing as we are about to develop a new community strategic plan. Council will be looking for YOUR input into the plan and will be asking you;

- What do you like about living in Cuballing?
- What does the Shire and the community do well?
- Where can improvements be made?
- And what BIG IDEAS do you have to make the Shire of Cuballing a better place to live and work?

There will be several ways of providing feedback – watch this space! But you are always welcome to contact me or any Shire Councillors if you'd like to get in early.

The Cuballing Winter Ball to raise money for BlazeAid at the end of July has been a sell out. It is great to see so many of our community getting behind this fundraiser, which has also attracted a lot of support from local businesses. The BlazeAid volunteers have done an amazing job, not only in the tireless physical work they have done, but also in being a constant presence and support to farmers affected by the Narrogin Wickepin and Corrigin Quairading fires. Here's hoping we raise lots of money on the night so we can show how much we appreciate them!

# THE VILLAGE NEWS

## ...it takes a village...

The Village now has 74 foundation members. Many are people not needing a service at this stage and have joined willing to help others as volunteers.

On Thursday 16<sup>th</sup> June we had a delightful morning tea in Cuballing at the CWA Hall where about 10 members and potential members came to hear about the broader concept of Staying in Place and The Village. Most of the conversation was about how beneficial Staying in Place will be to older people wanting to stay living in Cuballing and how the Community Managed Care approach for

people who receive home support packages will also be of economic benefit to the local community.

Many thanks to Julie Christensen and Michelle Atwell for organising the opportunity to meet. Julie is now on a great hiking adventure for a few weeks.

A team of four Activity Coordinators have now commenced part-time – one for each community. You may receive a call from them in the next couple of weeks.

The team of Activity Coordinators are -

- Lee Muller in Wandering
- Libby Heffernan in Wickepin
- Michelle Atwell in Cuballing
- Kristel Steel in Pingelly.

For those members who have already given us their filled-out activity interest forms – we have passed your information on to the Activity Coordinator in your community.

## THE VILLAGE NEWS—*continued*

Don't forget The Village Passport competition. Some people have handed in passports with only the names of places in their own community filled out! You need to fill out 20 of the names and get recent photos from at least 4 places out of the 20.

We are now working on the formal launch of The Village across all four communities – on the 4<sup>th</sup> of August we will be having a morning tea in Wickepin and lunch in Cuballing. On the 5<sup>th</sup> of August, we will be having morning tea in Wandering and a sundowner in Pingelly. You are all welcome to attend these events.

Upcoming events –

- Lunch trip to Yearloring Hotel from Wickepin – 29<sup>th</sup> June
- BINGO – 1-3.00 pm Wednesday 6<sup>th</sup> July Ern Lange Hall in Pingelly
- Passport – 28<sup>th</sup> July closing date for receiving completed passports.
- Official Launch – morning tea - 4<sup>th</sup> August Wickepin
- Official Launch – lunch - 4<sup>th</sup> August Cuballing
- Official Launch – morning tea – 5<sup>th</sup> August Wandering
- Official Launch – sundowner – 5<sup>th</sup> August Pingelly.

As always, please call the concierge team on 08 98871409 for any information that you as a member may need to help you stay living at home - such as eligibility for the pension, Commonwealth home care packages, carer allowances, NDIS plans and more - or if you know of a person who wants to become a foundation member.

See the website [stayinginplaceinthevillage.com.au](http://stayinginplaceinthevillage.com.au) or contact your local CRC or Shire Office in Cuballing for an expression of interest form. Free membership applies for foundation members.

Best wishes,

# SEALED SOULS

**SEALED SOULS** exposes the darker side of the early colonial history of Southern Oceania, spanning half a century from the establishment of the Colony of Sydney in 1788.

It explores and explains **ALLIANCES** formed in desperate times by desperate people and exposes the cruelty hapless people endured by being in the wrong place at the wrong time, in an era when bondage was just another word for **SLAVERY**.

**ABANDONMENT** was a common practice inflicted by unscrupulous masters and incompetent operators on these luckless people.

It was a lawless time, with **ROBBERIES** perpetrated at every level of colonial society. **MURDERS** were committed and went unresolved, along with mysterious **DISAPPEARANCES** of people and whole boats.

**ALIASES** hid peoples' unscrupulous pasts and recent sins, allowing them to avoid repercussions from the Authorities who were governed from the other side of the world.

A must read by anyone who is interested in early colonial maritime history. A colony with a desperate beginning, on a lawless frontier of uncontrolled exploitation and oppressive expansion across the vast continent of **AUSTRALIA** and beyond.

**SEALED SOULS** is more than a history of Australia; it delves deeper into the lives of multiple players over many decades that encapsulates this narrative.

Studiously researched over 25 years, this story shines a light on what really happened, what life was like for those early pioneers, and why the young colony turned out the way it did.

Every player was in it for themselves; from top bureaucrats to lowly escaped convicts and everyone in between - survival and exploitation was the roguery of the day.

**Book Launch:** Friday 15<sup>th</sup> July, Princess Royal Yacht Club, Albany.

Opens 5pm. Full bar facilities. Dinner available 6-8, dinner bookings essential before July 1.

# GOLF NOTES - JUNE 2022

Things have picked up pace around the golfing scene across the Upper Great Southern with many events now starting to roll around, we are now well into the season and the 'Pro-Tour' has just begun.

The first major event of June was the Great Southern 4BBB Par at Wickepin. As is the Cuby way, we made sure that we headed out to Wickepin and support the club and association, and with 17 people of the 48 people on the course coming from Cuballing, we were well represented. It paid dividends on the Nett side of the day with Simon Howe & Wayne McLeish winning the day in tough conditions with a +6. 2<sup>nd</sup> on a countback was Anthony Howe & Kade Maley. 3<sup>rd</sup> saw attack of the Dans with Daniel Christensen & Dan Hawes coming in with +4. Thanks also to big Dan for coming up from Bunbury for the day. (Definitely the furthest travelled golfer on course).

The Seed Protection Specialists

A big weekend back at home followed with our 2<sup>nd</sup> Qualifying on the Saturday sponsored by Hannaford's. Thanks to Trevor Clark from Hannaford's for joining us. In challenging conditions 21 golfers battled around the course with many ending up in the triple digits off the stick. Kade Maley is the man to watch this year with another stand out performance coming in with a respectable 88 Gross 74 Nett. Rob Harris who is attempting "Year of the Rob V2" was runner up with 83 Gross 76 Nett. 3<sup>rd</sup> on a countback was Kel Old, 92 Gross 77 Nett followed by Bernie Maley 87 Gross 77 Nett. Nearest to Pins were taken care of by two blokes with Rob on 1 & 4 and Mick Anton 15 & 17. Long Drive 6 Scott Ballantyne, Long Putt 9 Logan Hayes, Best 2<sup>nd</sup> 10 Kade Maley, Long Putt 18 DC.

Narrogin Toyota

Sunday saw the Upper Great Southern Golf Association Mixed Foursomes come to Cuby and the weather was pristine. 40 Players (20 Pairs) made their way to Cuballing for the day, one of the best fields in ten years. Winners for the day G & R Wylie from Wickepin with 87 off the stick. Runners Up, R Harris & K Jamison, with 90 on a count back from W Byrne & S Gaudin. Nett Winners were L George & E Valenta from T & D Clark. Thanks to the sponsors for the day in Narrogin Toyota & PYNC Invasive Animal Control. Thanks also goes to our members who didn't play and made sure the kitchen & bar was tended to and ensured all our visitors had a great day out.

We kick onto the Men's Foursomes Championship, 8 Pairs braving the risk of hitting golf balls from places you'd never dream of hitting from. The weather was perfect so there was no room for excuses. (Howie, not sure what excuses you've got but, you need a lot of them.) Pairings ranged from defending champions to father & son to anyone you could find. In the end it was the father son team of Kade & Bernie Maley who took out the Gross with 93 off the Bat. The nett was taken out by the look alike twins for the 3<sup>rd</sup> year in a row by Anthony Howe & Nigel Parks. They've got the three-peat, but will they go for the four-peat? Only time will tell.

Sunday 26<sup>th</sup> was the Wagin Men's & Ladies Events, we were again well represented with 2 Ladies & 7 men heading down to a challenging Wagin course. A tale all about families on this weekend, Todd & Logan Hayes put on another good showing not quite defending their title from last year but coming runners-up with 65 Stableford Points from 27 Holes. Well done fellas.

That wraps up the month of June, and now we properly get into the 'Pro-Tour' for season 2022. We only call into home once this month for the 3<sup>rd</sup> Qualifying round on the 9<sup>th</sup> of July Sponsored by Ike's Glass. Otherwise, if you're not on the circuit it's self-organised sweepstakes, keep in mind the clubhouse may not be open.

## Go Dry this July

Cancer Council WA is encouraging people to quit alcohol for the month of July, in a bid to raise much-needed funds for the 13 11 20 Cancer Information and Support Line; a free service for all Australians affected by cancer.

Going dry for July is a great opportunity to look at how you can reduce your overall alcohol use. Alcohol is a cause of cancer; research shows that every year more than 3,200 cases of cancer can be attributed to alcohol use, such as mouth, pharynx, larynx, oesophagus, liver, bowel and breast cancer in women.

There is no safe level of alcohol use, as any level increases the risk of developing an alcohol-caused cancer. The more you drink,

and the more often you drink, the greater your risk. To reduce your cancer risk, the message is avoid alcohol.

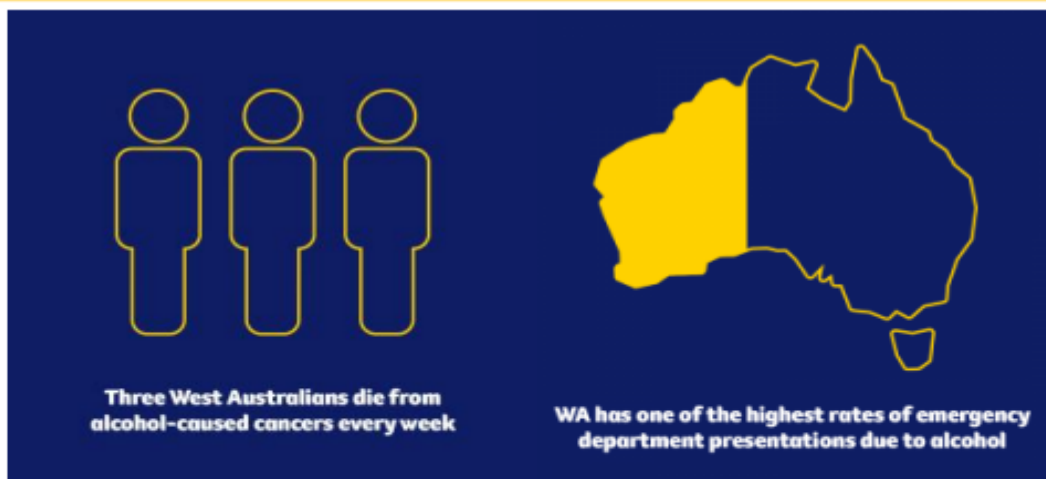

Committing to the Dry July fundraiser is a great way to raise funds for an important cause. Our 13 11 20 Information and Support Line is a confidential service run by experienced cancer nurses and is available to those affected by or concerned about cancer. This service is not government funded – it is funded through the generosity of donors and fundraisers.

The service connects West Australians with relevant support, information and resources to help them through their cancer journey. Last year, the service provided support to more than 5500 West Australians.

To sign up to Dry July visit <https://www.dryjuly.com/cancerCouncil>
