# WHO LET THE DOG'S OUT?

It may be a fun song, but it has not been so funny in Cuballing. There have been a spate of dog attacks in Cuballing over the last few weeks which has resulted in the horrific death and dismemberment of sheep, including pets. Unfortunately, despite the efforts of Shire staff and Rangers from the Shire of Narrogin we have not been able to conclusively identify the dogs responsible. Dog owners should be aware that the gloves are off.

## Severe Penalties

Under the Dog Act 1976 there are severe penalties for dog attacks including fines of up to \$10,000. If a dog attack results in death, the owner can be charged with manslaughter. If a dog kills or injures livestock the owner can be the subject of civil action by the owner of the livestock. The dog may be lawfully shot if attacking livestock.

There are also significant penalties for other offenses – these are a few:

Unregistered dog	\$200
Dog in place without consent	\$200
Dog off leash	\$200.

## What is a dog attack?

The Dog Act 1976 interprets an “attack” to be

- aggressively rushing at or harassing any person or animal; or
- biting, or otherwise causing physical injury to, a person or animal; or
- tearing clothing on, or otherwise causing damage to the property of, the person attacked; or
- attempting to attack, or behaving in such a manner toward a person as would cause a reasonable person to fear injury.

## Controlling Dogs

As a dog owner, you are legally responsible for how your dog behaves. By managing your dog correctly, you can prevent it from attacking people and animals:

- Never allow your dog to wander unsupervised
- Install secure fencing and regularly check it
- When out keep your dog on a leash.

When in any public place in WA, your dog must be tethered or on a leash except in designated dog exercise areas. You are still fully responsible for the control and behaviour of your dog.

Keep your dog and family safe. Allowing your dog to wander puts its health at risk and can even endanger yours. Every year hundreds of pets are shot, poisoned and impounded for attacking people and livestock. Other roaming dogs die from snake bite or traffic accidents.

Be a responsible dog owner. Dogs need more than food and water; they have to be trained, controlled, vaccinated, registered and exercised. If your dog is found wandering you will be fined or prosecuted.

If you see a dog wandering, please let the Shire know. Take a photograph if possible.

FOR A SAFER STATE

# Bushfire Safety Awareness

**DESCRIPTION:** This course covers the skills and knowledge required for volunteers to identify characteristics and behaviour of fire, methods/strategies to operate safely (and survive) on the fire ground and considerations when selecting fire suppression strategies.

Bushfire safety awareness is made up of three modules and has been designed to be completed in the following order:

DFES1020 Bushfire characteristics and behaviour

DFES1019 Bushfire safety and survival

DFES1021 Suppress bushfire\* (includes RUI)

\*SES do not need to complete DFES1021 Suppress bushfire

**Course Covers:**

Bushfire characteristics and behaviour  
Bushfire safety and survival procedures  
Identify strategies to suppress bushfire

**WHO FOR:**

BFS Bush Firefighter  
VFRS Probationary Firefighter  
VFES Foundation Firefighter  
SES Role Based Training

**WHO BY:** Adam Whitford 0475 397 201

**WHEN:** 23 & 24<sup>th</sup> August 2023 (0800 to 1630) 2 days

**WHERE:** Shire of Cuballing

**NOMINATIONS:**

Via DFES eAcademy

If you need help, or for further information please contact:

# LIFE MEMBER SPEECH BY ANTHONY HOWE

Tonight, we recognize the contributions of one of our members into our hall of fame or life membership

There are 3 standout contributions that this person has made that should be recognised.

The first of these is his work in refurbishing the greens that we all enjoy playing on each week. This person's ability to build good sand greens, the courage to do it in such a grand manner, and the determination to maintain them is rarely found in golf clubs.

- Some of you will remember playing on the greens when they were really black, and quite hard. Water runoff was a problem,
- there were limited locations for the pins,
- holding the green with genuinely good golf shots was not possible,
- and Solvol required at days end to clean your hands.
- 20 cubic metres of sand on each green, no way, we'll be playing on beaches.
- 20 cubic metres was the perfect amount,
- and together with a good ripping up and light oil applied regularly,
- we have sand greens that hold a good shot,
- scrape up well to putt,
- allow various hole locations,
- and although still a bit dirty on hands,
- they're way, way better than they used to be.

The second and by far most important of the standout contribution that Morty has made is the influence that he has had on club culture.

- All are welcome at Cuby.
- It does not matter where you live,
- where you work,
- who your partner is,
- what your background is,
- how good your golf is,
- whether you drink or not,
- how you dress.
- Our clubhouse gets filled frequently,
- our members are relaxed amongst friends,
- our visitors feel welcome,
- and our partners and children are just part of the Club.
- No longer are shirt and ties compulsory at presentations,

EST. 1958

# LIFE MEMBER SPEECH BY ANTHONY HOWE

The third standout contribution is his support for others who want to make change/improvements to the club and the course...

- New tee signs, go for it Cooper,
- wider range of drinks at the bar, no problems Howie,
- paint a blue tree, get onto it Clarky,
- new orange tees, what are you waiting for Ballas,
- regular coaching, go for it LG,
- seeking a new grant, yep Stu, where do I sign?

..... just to name just a few...

Never a derogatory word, always, what do you need?

It takes a special person to support the freedom of thought and action to be a successful and innovative club.

Morty started playing golf at Cuballing 21 years ago in 2002.

In 2005 he joined as a committee member,

then in 2006 as the men's vice captain – under Rob Harris.

From 2007 to 2009 he became men's captain. Along his way he was men's champion 2004, 2005, 2006, and won again in 2012.

In 2012 he became president until now

Over the last 21 years some of those were tough times, and some of them more recently good times. He has travelled to many, many, open events as a competent representative of the Cuballing Golf Club, always promoting the Club to anyone he meets, always speaking positively about our club and it's members, always inviting others to our Club. In the darker days when we were meeting to fold or continue, Morty was always positive and chose to continue.

There are so many things Morty does behind the scenes that you may not be aware of:

- Morty's mound – an out of control loader ended up being bigger than Morty himself!
- He currently sponsors a ball each week for nearest the pin, he has been a tee sponsor on that hole for many years, and we hope, for many more to come.
- Chipping in, at busy bees, at club events in the kitchen, behind the bar, in the captain's room, chasing sponsors,
- purchasing prizes,
- cleaning up,
- building the bonfires,
- propping up the bar,
- driving on tour.

I cannot think of a more worthy recipient for this award...

On behalf of the Cuballing golf club I would like to welcome Anthony Mort as our newest

Life member

# GOLF NOTES – JUNE 2023

The month of June means the fringes of our season are upon us, on the hit list this month Katanning for the Great Southern 4BBB and the Wagin Open Day.

But before that we head back to Cuby for the start of the month with Long Weekend Stableford Round. Unlike the rest of the weekend, perfect weather for golf saw a good field of 17 take to the course. The winner for the day with 39 Stableford Points was Michael Moore. Runner up with 38 Points was Cooper George.

Saturday the 12<sup>th</sup> saw us head to the Katanning Golf Club for the Great Southern 4BBB Par Championship. It was an early start with the first groups hitting off at 8.30am. Patchy rain crossed the course in the afternoon making sure we didn't get too comfortable with the conditions. Congratulations to Bevan George & Rodney Ford (Williams) who won the Nett with +13. Nett Runners Up also from Cuby were Chris Bolton & Jaco Moolman with +10. Third Nett was Mick Anton & Jim Hine (Katanning) with +8. A massive shout out to Patmore Feeds for their Sponsorship of this event! Thanks to the Katanning Golf Club for hosting the event.

Saturday 17<sup>th</sup> saw us play our 2<sup>nd</sup> Qualifying Round sponsored by Hannaford Seeds. The winner with 81 Gross 69 Nett was Bevan George. Runner-Up with a 97 Gross 72 Nett was Daniel Christensen. 3<sup>rd</sup> on a countback was Scott Ballantyne with a 78 Gross 74 Nett from Lindsay George with 86 Gross 74 Nett & Logan Hayes 100 Gross 74 Nett. Thanks Again to Trevor from Hannaford Seeds for his sponsorship of the day and coming across to have a bash with us.

There was one more thing we needed to do following presentations, we needed to award an accolade to a very important person within the Cuballing Golf Club, and that is why on Saturday the 17<sup>th</sup> June 2023 the Cuballing Golf Club announced its newest life member. It is with tremendous pride, we welcome Anthony Mort to the "Hall of Fame". Morty joined the Cuballing Golf Club in 2002, joined the Committee in 2005, became Vice Captain in 2006 under Rob Harris, 2007-2009 he was Men's Captain & in 2012 he took over as President, a position he still holds 12 years later. This is just the surface of Morty's contributions to the Cuballing Golf Club. During his time at the club, he

has assisted and led numerous development projects. Some of these include green renovations, tee box rejuvenation, total golf course beautification and more recently the vision for our new patio area (hopefully being erected before the start of August). He is also a good operator when it comes to driving the loader. But perhaps the biggest contribution that Morty has made to the club during his time is his influence on the culture of the club. Everyone is welcome at Cuby. No matter what you look like, how you dress, whether you drink or not, all are welcome, and the club's current success is a credit to the culture he has helped build over the last 21 years. Congratulations on your outstanding contributions & achievements Morty! The full presentation can be viewed on our Facebook Page: <https://fb.watch/lqlqZiQCfV/>

On Saturday the 24<sup>th</sup> we played both our Men's & Ladies' Foursomes Championships sponsored by Narrogin Toyota. Foursomes is a day the usually sees people playing shots from places never imagined. The winner of the men's gross with a 95 off the stick were Rob Harris & Graeme Dent. The winner of the men's Nett with a 71 was Chis Bolton & Mick Anton. The winners for the ladies Gross & Nett with a 131 off the stick & a 90.5 were Deb Clark & Sally Dunn.

Sunday the 25<sup>th</sup> saw 7 Cuby Golf Club members head down to Wagin for their Open Day. The day started out gloomy and cold, warming up whilst the was out however, by the end of the day the wind and rain made the fireplace look very appealing. Congratulations to Sally Dunn & Carol Hardie (Narrogin) who won the Ladies Open with 46 Points. Our Blokes also had a decent crack at the top spots: 3<sup>rd</sup> Nett 63pts Todd & Logan Hayes. 4<sup>th</sup> Nett 62pts C/B Ronnie Coppock & Shane Boothey (Narrogin), 5<sup>th</sup> Nett 62pts C/B Cooper George & Peter Baker (Narrogin). Well done to everyone who travelled down for the day.

That wraps up another month of the goings on at the Cuby Golf Club. Our season is now in full swing until we head back for our Open Day on the 19<sup>th</sup> & 20<sup>th</sup> of August.

# Landcare matters

Hotham-Williams sub-catchment update

PHCC Working Together  
Peel-Harvey Catchment Council

Edition 77  
July 2023

NRM is the management of natural resources such as land, water, soils, plants and animals. It brings together land use planning, water management, biodiversity conservation and sustainability of industries such as agriculture, mining, tourism, fisheries and forestry.

## Koompkinning Gathering

Recently we had a catch up at Koompkinning Pumphreys Bridge to say thank you to Wilman Elder Travis (Jock) Abraham and family for their support throughout the Numbat Neighbourhood Project.

It was a lovely day where we shared lunch, yarned around the fire and planted grass trees at this important cultural site. We will continue to work with the Wilman people and other project partners, through the Hotham-Williams River Restoration projects. Over coming years, we aim to restore the environment at Koompkinning by controlling weeds and allowing the native species to regenerate, as well as planting seedlings. Rehabilitation will include bank stabilisation on the Hotham River and access points for the community.

PHCC would like to thank Travis Abraham and the Wilman people for their involvement and guidance throughout the Numbat Neighbourhood Project. We look forward to working together into the future. The Numbat Neighbourhood Project is supported by PHCC through funding from the Australian Government's National Landcare Program.

Wilman Elder Travis (Jock) Abraham and his family

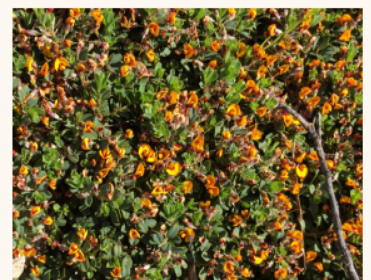

Abraham family members with Christine, Kristy and Jane from PHCC

## Yellow is for threatened flora

You may have seen these rather cryptic signs on roadsides, which look like upside down yellow hockey sticks! They serve the noble purpose of providing markers where threatened flora species are located, many of which in WA occur along road verges. Threatened Flora, also known as Declared Rare Flora (DRF), are native plant species that are at risk due to small numbers of mature plants and occurrences at a limited number of locations.

Yellow hockey sticks have just been installed at the Camballing Reserve with the assistance of the Shire of Boddington. They are there to mark the *Gastrolobium* sp. Prostrate Boddington. Most of you know *Gastrolobium* plants as 'egg and bacon', and there are in fact many species in that Genus of plants. This one is quite special, recorded only in the Shire of Boddington and forming large mats of green, flecked with golden flowers in spring (pictured).

Awareness of threatened and priority flora through placement of signage aims to provide buffers to native plants to prevent incidental damage from activities carried out for road-related services and maintenance. This activity is supported by a State NRM funded project.

## What's On In The Village

24th June - 7th July 2023

Dear Village Member

We hope you have been keeping cosy these last couple of super cold winter weeks! Village members have been out and about, enjoying good company at the various Village activities during the last fortnight. Lunch at the Cuballing Hotel on the 21st June was most enjoyable, and a raffle generously sponsored by Mia Davies added a little extra buzz! Congratulations to the lucky Mr Rex Hallett of Pingelly on winning the prize!

This coming fortnight, why not keep warm with a game of bingo and a warm cuppa in good company! There is also a workshop to make a beautiful ceramic wall hanging coming up on the 5th of July at the Ern Lange Hall in Pingelly. This workshop is absolutely suitable for beginners, and the cost is \$10 per person to go towards the cost of materials. Don't forget to RSVP by Friday 30th June to book your spot!
