Happy Retirement
Terry Clarke

The Shire of Cuballing would like to wish Terry Clarke a happy retirement!

Terry started back in 1998 after coming from Dryandra Timber Products as a tree feller. Terry, Debbie and their family made Cuballing home in 1990 after Debbie took over the running of the Cuballing Roadhouse. They love it so much they never left!

Terry was an integral part of the works crew for 25 years, that's 25 years of road maintenance, tree pruning, road rolling, truck driving, road watering, verge spraying and general duties. Terry's knowledge and work ethic will be greatly missed but we know he will have a great retirement travelling with Debbie and holidaying in their caravan.

COUNCIL SHORTS

Planning Approval

Council approved an Application for Development Approval for an Outbuilding, Ancillary Dwelling and a Patio at 49 Popanyinning East Road, Popanyinning.

Change of Date for June Meeting

With one Council position vacant, and another Councillor on extended leave, Council must be mindful of ensuring that there is always a quorum available to deal with Council business. Cr Dowling advised that she will be unavailable for the scheduled date of the June meeting. Council has decided to postpone the June meeting to 30 June 2023.

Councillor Attendance Fees

Every Year the Salaries and Allowances Tribunal is required to inquire into and determine the range of fees, to be paid under the Local Government Act 1995 to elected council members for attendance at meetings; expenses to be reimbursed under the LG Act to elected council members; and the range of allowances to be paid under the Act to elected council members.

Council is required to consider the SAT determination and set fees for the coming financial year. Council considered the SAT Determination and decided to support the CEOs recommendation that the following fees apply for the 2023-24 year:

- a Shire President Meeting Fee of \$250 per Council Meeting;
- a Councillor Meeting Fee of \$165 per Council Meeting;
- a Shire President's Allowance of \$10,000;
- a Deputy Shire President's Allowance of \$2,500;
- a Committee Meeting Fee of \$65 per Committee Meeting or prescribed meeting;
- 6 an annual ICT Allowance of \$500 per Councillor; and
- all travel, and childcare costs upon presentation of evidence of the actual costs.

Annual Report

Council adopted the Annual Report for 2021-22 . In addition to the audited financial statements and a range of mandatory reporting requirements, the Annual Report and provides a report by each of the Shire President and CEO, and highlights the Shire's achievements for the year.

Annual General Meeting of Electors

Following the adoption of the Annual Report Council has set a date for the Annual General Meeting of Electors. This meeting provides the opportunity for the community to receive the annual report and ask questions directly of Council. The meeting will be held at 6.30pm on Friday 30th June 2023 at the Council chambers.

Audit Action Plan

The Auditor as part of its report identified 3 issues of significance. Council adopted an Audit Action Plan to address these issues. A copy of the action plan has been submitted to the minister and a copy is available on the Shire's website.

2023 Council Elections

A further reminder that Local Government Elections will be held on 21st October 2023. There is one vacant position following the resignation of Cr Dowdell earlier this year and two Councillors completing their terms. If you are thinking about it you may wish to come along to one or two Council meetings to see how they work. Council meetings are open to the public.

PHCC Working Together
Peel-Harvey Catchment Council

Edition 76
June 2023

NRM is the management of natural resources such as land, water, soils, plants and animals. It brings together land use planning, water management, biodiversity conservation and sustainability of industries such as agriculture, mining, tourism, fisheries and forestry.

Green Card Training

Thank you to the 14 community members, landholders and PHCC staff who recently attended Green Card training in Boddington to learn skills to apply biosecurity hygiene when working in natural areas. Phytophthora dieback is one of the threats discussed in the course that can have a devastating impact to bushland areas by reducing biodiversity, food and shelter for native fauna.

The practical component of the training involved effectively washing down and inspecting a vehicle to ensure that weed seeds and pathogens such as dieback are not being transported into sensitive bushland areas. Thank you to Joe and Josh from Terratree for travelling to Boddington to deliver the course and the Boddington Shire for allowing us to use their depot for the wash down demonstration.

Birds On Farms Relunched

Back from a 25 year hiatus BirdLife Australia's Birds on Farms project has re-launched in WA!

In 1995 Birds Australia inaugurated the Birds on Farms project, aiming to answer important questions about bird distribution, population health and habitat use on private rural land.

Over a two-year period, 110 farms were surveyed in WA by 138 volunteers, recording a total of 179 bird species. Now, after 25 years the Birds on Farms Project is being relaunched to build upon the successes of the original 1990s Project.

The Project aims to engage with landholders and birdwatchers particularly in the WA wheatbelt to identify bird species, their behaviour, ecology, and habitat use.

Surveys are done seasonally at 2 ha sites within farms, with the help of experienced birdwatchers and interested landholders.

If this sounds like something you'd like to be involved in register your interest for the project here: <https://arcg.is/iHy90>

PHCC will be hosting a Birds on Farms Workshop on the 9th June in Boddington.

Hotham-Williams sub-catchment update

HRNR 3-Old weir_P. Narducci

Lost River?

Many of you would follow one or more of the 'Lost' pages, which share breadcrumb trails about places and people in the past that live on in photo albums and peoples' memories.

Some of the photos you see here are from the Lost Pingelly Facebook page, reminiscing about the weir (now in ruins) on the Hotham River where it flows past the Hotham River Nature Reserve. Just 8km south of Pingelly, it was the site of the original town water supply and there was a pool nearby that was often used by locals for swimming, picnics and other gatherings.

The Hotham River at this location is one of the eight restoration sites we have been telling you about, which are all part of the Hotham-Williams River Action Plan (RAP).

The channel of the Hotham River here is wide in parts, transitioning to a highly active meandering form, with eroding and retreating banks and considerable sediment deposition. Riparian vegetation has been impacted by the highly saline water and is dominated by scattered trees and exotic ground covers. Salt-loving samphires have provided some stability and habitat by colonising the bed and banks. Also the gorgeous ruby saltbush (pictured).

The Hotham-Williams River Action Plan is a long term project and although this site is not in our initial priority projects, eventually as funding is available, our intention is to carry out weed control, revegetation and bank stabilisation as well as coordination of protective fencing with the neighbouring properties.

Although not what it once was, the Hotham River still provides a picnic spot during a visit to the Nature Reserve, particularly during the shoulder seasons of 'first dew' and 'flowering'.

Photos of the weir have been taken by Peter Narducci.

GOLF NOTES – MAY 2023

Welcome back sports fans for another instalment of the infamous Cuballing Golf Club Golf Notes.

It has been a busy month with lots on around the club, 4 sponsored weekends & a coaching clinic has kept everyone on their toes.

We kicked off on the 6th with the annual Blind Combined Stableford Round sponsored by McWhirter & Leong. The rain settled in for most of the day making for tough going for some. Logan Hayes was the best individual point scorer with 36 Stableford Points. After some card shuffling by Acting Captain Howe, our combined winners could be announced. With a combined score of 68 Points, Logan Hayes & Wayne McLeish took out the top spot. Capping off the other end of the field with the NAGA award were Todd Hayes & Kelly Wilkins with 56 Points. Thanks to McWhirter & Leong for the sponsorship of this event. The NAGA Prize was a great stich-up!

The 13th saw us playing our First Qualifying Round for 2023 with sponsored by the Cuballing Roadhouse. There were patches of rain throughout the day but overall, it was a great day for golf. Down to business and the winner of the day with a 104 Gross 69 Nett was Simons Howe, smash his handicap in the process. Runner up with an 89 Gross 70 Nett was Nigel Parks, and if he keeps playing like this, he will surely be in B Grad by the time Championships roll around! We also had 5 Ladies play a 9 Hole Round and Kellie Wilkins was the winner with 13 Stableford Points. Thanks once again to the Cuballing Roadhouse for their continued sponsorship of our club.

On the 20th we played the Cuballing Building Company 2 Person Ambrose event. We had a great turnout with 32 people on the course. Laughter could be heard in all directions and made the day most enjoyable. Winner for the day were Ron Coppock & new member Michael Moore. Well done gents. 2nd Place saw DC & Morty step onto the podium followed by Scott & Harey in 3rd. Thanks once again to Shanksy and the Cuballing Building Company for their continued support of our club.

The 27th we held our first coaching clinic for the 2023 season with PGA Professional Brayden McCubbing. We held 3 sessions throughout the morning with 24 people attending, an amazing turnout. Thanks to Brayden & the WA Golf Foundation for making this possible.

Following the coaching we had our first Par round of the season sponsored by Narrogin Pumps, Solar & Spraying. Pristine weather made for a great day on the course with varying levels of success across the field. Simon Howe came in with +5, usually a winning score for a Par round but unfortunately for Simon it was only good enough for 3rd. Runner-up saw an equally impressive +7 from David Shanks, but still not good enough to win the day. Who could beat that? A Whopping +10 off a 13 Handicap saw Anthony Mort win the day. Say hello to the new Handicap! A big thanks to Rob at Narrogin Pumps, Solar & Spraying for his continued support of our club!

Throughout the month there has been plenty of continued clean up around the course. Thanks goes to everyone who has spent time cleaning up areas of the bush, burning piles, chopping limbs etc. the course is looking the best it has in years.

Next month we start the traveling season with the Great Southern 4BBB Par at Katanning, Upper Great Southern Foursomes at Darkan & Wagin Open. We also have our 2nd Qualifying Round Sponsored by Hannaford Seeds and our Club Championship Foursomes.

Best of luck to everyone hitting the little white ball over the next month, see you on the course.

ONE LAST KICK—CUBALLING TIGERS

Recently the Shire of Cuballing recieved a call from a very enthusiastic Allan Crane. Allan and Dean (from Lomax Creative Content) were researching to towns who know longer had a current football team, Allan, or Craney as he goes by, was so passionate in the project we could not say no and really what a better way to get some blokes together and talk about football!

My first call was to Ken Ashworth from there it evolved into a group of blokes meeting at the Cuballing Rec Centre to have a chat about the best (at the time) football team in the league. The stories were great to listen to, the jokes just as good but best of all, it was great to see everyone getting a chance to tell their story while Dean recorded. Now boys remember those digs you made at each others football? Well they are now recorded in history!

Dean then spent the next couple of weeks editing and putting it together before releasing it to the public. The video can be seen on the Shire of Cuballing's Facebook page, Lost Cuballing Facebook site, YouTube—One last kick or click the link <https://youtu.be/pET0gOrjnGo> for it to take you directly to the story. Warning—you will have a laugh and maybe even a tear but overall this has been a fantastic project and I have loved been part of it every step of the way! Thank you Allan Crane & Dean Lomax this is a video that will never be forgotten.

If you would like a copy of any of the football articles or photos please contact Michelle on 98836 031 or cdo@cupalling.wa.gov.au

THE CUBALLING FOOTBALL CLUB RE-UNION March 1, 2003

Peak of Cuballing's league success

APART from Wally Sidebottom, other men who helped achieve that historic 1961 grandfinal win were Ron Wiese, John Walsh, Ron Gabrielson, Vern Cavanagh, Chris O'Brien, Steve Mourish, Bob Woods, Athol Pritchard, Colin Hall, Lance Ugle, Greg

Kelly, Stan Hewton, Brian Colbung, Wally Kickett, Kevin Hunter, Kelvin Kickett, Parnell Dempster, John Brailey and Gerry Walsh.

It will be noted that five of those men also played in the seconds grand final win in 1959. Ron Gabrielson as cap-

tain and coach for 1962/63 almost led the team to another premiership in 1962 but they were defeated in the grand final by West Arthur who outscored them heavily in the final quarter.

However, Ron had the 18 players of that league

side functioning as a "well oiled machine" and they completely out-classed Towns taking out their second premiership.

Cuby achieved another premiership under the captaincy of Ron Redman. In a mighty finish that year the league side came from fifth place to secure third premiership after winning 11 of the last 12 games played.

The windup dinner in the Cuby Hall that year was a happy affair.

In 1967 former South Fremantle and State player of the late 40s, early 50s Charlie Tyson took over the Cuballing A grade side marked by youth, enthusiasm, speed and courage. He helped them to become runners up to the minor premiers and runners up in the premiership contest

when Wickepin defeated them in the grandfinal.

Then came the peak of the Cuballing league side's success when they achieved four successive premierships from 1968 to 1971.

The first two were gained with captain/coach Sandy Pearse in charge. When the 1969 grand final was played the team members must have been really inspired by having Wally Sidebottom back in town for the occasion.

The captain/coach in 1970 was Dave Williams from Kyneton, Victoria and he saw them through to a convincing victory over Wickepin which according to the Observer's report was more memorable for a couple of good brawls in the third and fourth quarters than for the out-

standing play.

1971 saw the A team performing under Cuballing champion Gerry Walsh, who was named Fairest and Best player during the A and B grade grandfinals in 1959 and 1961. He was also named fairest and best for Cuballing A grade and the Narrogin Tigers during the 1960's.

Cuballing thrashed Williams in the premiership clash in 1971 in what was dubbed the most one sided grand final ever seen on the Narrogin oval.

After a relatively quiet year in 1972, Cuby league side won both minor premiers and premierships in 1973. Colin Beard the man with South Fremantle and Richmond experience led them to greatness that year.

He won the Sunday Times medal for best footballer in the league and runner up J. Mustard of West Arthur won the Leo Graham medal. In that premiership battle, John Whitford marked "gloriously" and the Kickett brothers, Bentley, Fitt and Langoulet dominated the packs.

Under Rod Duckworth, fresh from leading Dudinin to a premiership, Cuballing A grade contested their ninth grand final in 1974. On the day when Cuby's B team downed Towns to achieve premiership and when John Whitford led out the A team for his 200th game. Hopes for victory were high, however Wickepin were jubilant when they overcame Cuby's strong combination of veterans and young players.

The 'wonder years'

FOLLOWING his success with the B team in 1974, Ray Browne led Cuby A in 1975, during which he achieved his 200th game in August. Ken Leslie from South Fremantle was appointed coach in 1976. Under both Ray and Ken the league side performed extremely well in the qualifying rounds but were eliminated each year in the semi-finals.

Ken Leslie was re-appointed in 1977 when for the last time Cuballing A grade took out the premiership. After the close fought tussle against Fingelly that saw Cuballing triumphant, Cuby's physical strength and experience were deciding factors in an excellent game.

1978 was another reasonably good year for the league side with Ken Leslie kicking 100 goals for the season. They came third in the qualifying rounds but were thrashed by Max Stewart's Railways in the semi-final.

In 1977, Ray Browne who had

THE historic display of Cuballing Football club premiership photographs, flags and jerseys at the football Hall of Fame in the Cuballing Tavern.

been quite successful as coach, was appointed to Max Stewart's position with Railways. It was to be his "man-horrible". Cuballing A side overwhelmed his new charges, 29-17 that July and Railways were premiers under Max Stewart.

Shortly afterwards Ray Browne

gained success with Williams whom he had coached to a premiership in 1982. Returning to Cuballing's "wonder years". The period was like a magnesium flare that shone, suddenly and very brightly in a dark night. But just as suddenly the flare was extinguished.
