Monthly publication for Cuballing, Yornaning and Popanyinning

June 2024

On Wednesday 22nd May the Shire of Cuballing hosted a Cancer’s Biggest Morning tea at the Cuballing Roadhouse, unlike other years the morning was not dampened by the rain, this year the sun shone proudly like a cat that got the canary but we didn't let that ruin the morning.

The conversations flowed but numbers were slightly down from pervious years, Those who did attend lapped up the delicious array of sweet treats on offer and of course Robyn’s cream puffs!

All money raised has gone directly to Cancer Council.

This is a yearly social event, You don’t have to donate, while a gold coin was appreciated, it is more about getting out having a chat and some morning tea and maybe make a new friend, if you didn’t make it this year be sure to keep it in mind for May 2025.

PRESIDENTS PEN

Excitement is building for the Cuby GrooveFest, the inaugural two day music and arts festival that is being held in Cuballing from the 13 -15th September. The weekend is being run by the Cuby GrooveFest committee but is getting considerable support from the Shire in administration and works crew time, insurance, financial backing and free use of shire facilities.

Shire support for this event is a direct response to the community strategic workshops last year where Cuballing residents gave the highest rating to community events, particularly in music and arts events. Cuballing also had two community teams, one from Popanyinning, the other from Cuballing, who took part in the Community Builders Program last year. The goals of the final plan these groups developed included:

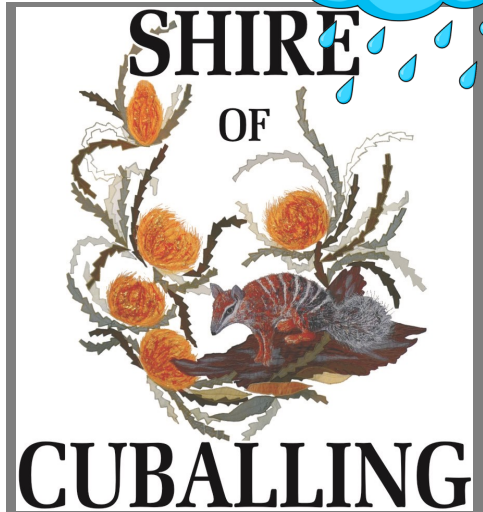

- To actively promote and showcase our communities as great places to stop, stay, experience and reside, especially through vibrant and welcoming town centres;
- To retain strong sporting and cultural clubs, competitions, facilities and community traditions; and
- To develop as communities where people of all ages and abilities are active, connected and contributing.

The Shire had set aside funds in the 2023/24 and the 2024/25 budget to support local music and this funding is being allocated to the Cuby GrooveFest. The festival will provide opportunities for our local sporting clubs and community organisations to raise much needed funds and for our local businesses to profit.

I encourage you all to get involved in this event to help make it a success. Your involvement can be as a participant, as a stall holder, as a volunteer or as a sponsor. Have a look on the website www.cubygroovefest.com.au to see what there is on offer or talk to Michelle and Julie at the Shire Office for more information.

New Firebreak orders

At its May Council meeting Council adopted a new Firebreak Order. While very similar to previous order there is a new and important provision. Property Owners with blocks over 2024 square metres in Townsites or on Rural Residential land will be required to clear flammable material **AND** install a firebreak break. A firebreak should allow access by a fire truck and includes clearing to a height of 4 metres above the fire break.

COMPLIANT

NON-COMPLIANT

Community Meeting

At the Community Meeting in February firebreaks and overgrown blocks were some of the issues raised. Some of the others were:

Enforcement of Firebreak Orders:

The Shire of Cuballing will be contracting the Shire of Narrogin Rangers to assist with education and enforcement. If you own property, you should be aware that, if you fail to comply with your fire break obligations the Shire can and will engage contractors to complete the work and send you the bill.

Harassment of Fire Fighters

The Shire has, with the support of Narrogin Police, obtained a Misconduct Restraining Order to prevent a particular individual from harassing or interfering with Fire Brigade Members undertaking brigade duties. This includes meetings, training and of course firefighting. The order will be in force for the next 3 years.

Fire Mitigation

The Shire has applied for \$150,000 to fund additional fire mitigation activities on public land controlled by the Shire. We have also consulted with DFES to ensure that Unallocated Crown land and unmanaged reserves are also maintained and made fire safe.

Police Presence

Community members will have noticed an increased police presence and a commitment to respond. You may be aware of a car that was impounded for hooning, and you may also have had your turn to blow in the bag. Police leadership continue to liaise closely with the Shire. Remember – if you see something say something.

EMPLOYMENT OPPORTUNITY

SHIRE OF CUBALLING CHIEF EXECUTIVE OFFICER

A charming rural community, in a unique part of the world, growing and prospering while protecting its natural environment.

The Shire situated on the Great Southern Highway, Cuballing is 190 kms southeast of Perth, between the regional centers of Pingelly and Narrogin in the Wheatbelt region of Western Australia. Cuballing is primarily an agricultural area and includes large tracts of the Dryandra State Forest.

The Role

The Council is in search of a highly motivated, experienced, and performance-focused Chief Executive Officer. As the Chief Executive Officer, you will have a strong commitment to the Shire's organisational values, be progressive and have a solid sense of community, ensuring effective relationships and communication with Councillors, staff, community, and other stakeholders. You will be working closely in consultation with the Council to initiate and implement strategic and service delivery plans for the Shire, manage existing projects and develop future project opportunities that serve the Shire.

The Requirements

To meet the challenges and opportunities of this role, you will require a sound background in Local Government with the ability to display a high level of strategic planning skills. You should display knowledge of corporate management and have proven leadership experience with planning and delivery of major capital projects. Working closely and in consultation with the Shire President and other Elected members, you will also be required to demonstrate experience in developing and maintaining strategic relationships and partnerships with key government and non-government agencies, businesses, organisations and the community.

This role will appeal to a candidate with proven leadership skills at a Senior or Executive level within a Local Government environment who is currently in a CEO position or someone looking to take the next step in their career. This is a great opportunity for someone with an understanding of the overall function, operations and adherence to the local government procedures and legislations and understanding of the current issues facing regional and rural communities.

The Package

Employment is offered under a performance-based contract of three to five years. An attractive remuneration package in the range of **\$156,780 to \$240,396** per annum (including salary, super, private use of a fully maintained vehicle, utilities in accordance with SAT band 4) will be negotiated based on qualifications and experience. In addition, Council will provide rent free executive housing plus reasonable relocation expenses. To be considered for this CEO position, applicants must address the Selection Criteria as detailed in the Application Package. To obtain a copy of the package, please contact Geraldine Kistnasing, Executive Recruitment Consultant at LO-GO Appointments on (08) 9380 4505 or by email at wa@logoapp.com.au.

Applications close at 5:00pm on Monday 17th June 2024

Please Note: Canvassing of Councillors will disqualify.

COUNCIL SHORTS

Every year Council holds its May Council Meeting in Popanyinning. Council again had a busy day with a lot to work through.

Financials

As always Council considered the year-to-date financial position and the payments made during the previous month.

Risk Management

Senior staff have been busy working through a range of issues since we completed our Financial Management Review in February. While we have always been conscious of risk, our risk management framework had not been reviewed for some time.

Council worked through the documents and adopted updated:

- Risk Management Policy
- Risk Management Strategy
- IT Disaster Recovery Plan.

Crisp Wireless

Council approved a new telecommunications antenna for Crisp Wireless in Schoolars Road.

Local Roads and Community Infrastructure Program (LRCIP)

LRCIP is a capital grants program allocated to Local Governments based on the Grants Commission formula. Phase 4 is the final allocation under the program and must be expended by 30 June 2025. Council selected the following projects for funding:

- A footpath and bridal trail linking the recreation centre, equestrian centre and Alton Street- \$50,000.
- Reconstruction of Darcy Street between the Rail Crossing and Austral Street to improve road safety \$200,000.
- Kitchen Replacement in the Cuballing Agricultural Hall \$60,000. And
- Playground and related facilities at the Popanyinning Recreation Centre (relocating McGarrigal Park) \$80,000.

collocating McGarrigal Park Facilities with other recreation facilities will allow the site at 106-108 Francis Street to be designated as the site for a new Fire Station for Popanyinning.

Firebreak Order and Fire Control Officers

Council has adopted a new firebreak order. The new order gives effect to the undertaking at the community meeting that property owners will be required to install a firebreak **and** reduce fuel loads. Narrogin Rangers will be engaged to assist with education and enforcement.

Council also formalised appointment of Fire Control Officers for 2024-25.

Local Emergency Management Committee (LEMC)

Council endorsed the recommendation from the LEMC to enter into joint arrangements with the Shire of Narrogin to improve efficiency and better engage with State agencies. Wickepin has resolved to form its own separate LEMC.

Chief Executive Officer

Following the CEO's decision to retire in September the Shire has contracted Lo-Go Appointments to assist with the recruitment of a new CEO.

The CEO's annual performance and salary review was finalised in accordance with contract and legislative requirements.

HAVE YOU EVER THOUGHT OF BECOMING A JP?

The President of the Royal Association of Justices has written to rural Shires highlighting a shortage of JPs, particularly younger JPs in rural areas. This is an unpaid voluntary position.

To become a Justice of the Peace (JP):

- Nominations must be submitted through a State Member of Parliament. In regional areas, nominations can be submitted through the local magistrate or State Member of Parliament.
- Appointees must complete a JP training course before appointment. Important information on the mandatory training course is available on the Pre- Appointment Training information below.

An applicant must satisfy the following criteria for appointment:

- Australian citizen with a minimum of 12 months residence in Western Australia.
- Enrolled on the State electoral roll.
- Of good character and reputation, including (preferably) a record of community service.
- Demonstrate a willingness and capacity to fulfil all the duties of a JP when called upon.
- Not insolvent under administration.

The Primary responsibilities of a JP include:

- Witnessing Documents and Administering Oaths and Affirmations
- Approving Search Warrants
- Bail and Surety Applications

CUBALLING GOLF

Welcome back Sports Fans! Yes, that's right the Cuballing Golf Club is back for season 2024!

"Pre-Season" kicked off with Coaching facilitated by PGA Professional Brayden McCubbing on the 13th of April. We also did some course clean up on the day, following the busy bee from the week prior and got the club house in order ready for the season to commence.

The season officially kicked off on Saturday 20th April with 40 people taking to the course for 13 Holes of Orange Tee Ambrose. The first ball of the season was hit by our newest Life Member Anthony Mort. Following the days play a BBQ Tea was enjoyed by all.

Our first individual round of the season was held on Saturday 27th April with 19 people making their way to the course. Of these 19 people, we had 5 people putting in First Cards for Handicaps. On the result front Sally Dunn, fresh off cleaning up at Narrogin's ANZAC Day Golf with 47 points delivered again winning the day with 41 Points. David Shanks narrowly missed out on top spot coming in Runner-Up with 40 Points.

Saturday May 4th Saw a field of 15 turnout of the Cuballing Building Company 2 Person Ambrose. Thanks to Shanks and his team for their continued support of our club. Winners of the day were Morty & Ryland Paice, Runners Up were Nigel Parks & Graeme Dent.

On Saturday May 11th we played our First Qualifying Round sponsored by the Cuballing Roadhouse. We had 21 people on the course, with perfect conditions for golf. The winner of the day was Logan Hayes who came in with 88 off the bat for a 64 Nett... good-bye Handicap. Runner Up on a Count Back was Mark Dartnell with a 97 off the stick for a 64 Nett. Scott Ballantyne had the best Gross

Score of the day with 79 off the stick, 76 Nett. In the Ladies, Debbie Clark was the standout winner with 42 Stableford Points. Runner Up was Leonie Kirby with 34 Points. Thank you to the Cuballing Roadhouse for their continued support of our club.

Saturday 18th May was the McWhirter & Leong Blind Combined Stableford. 21 people on the course and some found the going a little harder than others. Just ask Kade Maley when you see him next. Individual Winner of the day with 39 Points was Howie. Runner Up was Marty French from the Narrogin Golf Club with 37 Points. In the team portion of the day the winning pair was Nigel Parks & Anthony Howe with 71 Points. Runners Up with 70 Points were Debbie Clark & Peter George. We also had 3 members complete their Handicaps on this day. Steve Conway, Sheldon & Ryland Paice all have the GA & we look forward to seeing you boy out on the circuit this year!

Rounding out the month of May was our 2nd Qualifying Round sponsored by Trevor & Kristie of Hannaford Seed Cleaning Boyup Brook & Districts, Williams & Hotham. 24 People took to the course in ideal conditions for golf. The Winner of the day was Todd Hayes with a 90 off the stick 68 Nett. Runner Up was Stu Budd with 94 Gross 69 Nett. The Best Gross Score was Anthony Mort with an 81. Our Ladies' winner was

Debbie Clark with 39 Stableford Points. Congrats to Sean Conlan who completed his 3rd Card on the day and now has his GA Handicap. Thank you to Hannaford's for their continued support of our club.

Don't forget everyone is welcome to come for a hit at Cuby. For more information get in touch, all the details are on our website!

Coming Fixtures in June: Sat 1st Stableford, Sat 8th Sweepstakes, Sat 15th Narrogin Pumps Par, Sat 22nd 3rd Qualifying Ike's Glass, Sat 29th Sweepstakes

Hot in the Shade

A recent visit to the River Action Plan site on the Williams River in Quindanning highlighted the importance of shade along our rivers.

'Grandmother' paperbarks of a size you don't often see were providing gorgeous, lush shade under which the temperature was markedly cooler; check out the photos. The needles (leaves) and bark that had dropped on the ground also provided resilience to weed germination, which often peaks during times of stress when native plants are struggling. The cooler temperature means that pools are protected from evaporation and can provide important areas of refuge, particularly in the current alarmingly dry conditions.

In contrast was the open, sunny, and exposed area at the same site a mere 200m away. The vegetation there was under incredible stress, and last year we started planting paperbarks to eventually provide shady trees in that patch. The seedlings were still hanging on for dear life, but it will be a number of years before they are big enough to have an impact.

The moral of the story is, keep the shade you have and plant more! The ecosystem services provided by native vegetation free of charge is beyond any economic value we can attribute to it.

Hotham and Williams Rivers projects in the upper catchment are funded through partnerships with both South32 Worsley Alumina and Newmont Australia (Boddington)

CUBY WOMEN'S SHED

Hi, my name is Giri Sequoya. You have seen my name as the Secretary of the Women's Shed. I would like to introduce myself.

I was 5 or 6 years old when my favourite aunt committed suicide. She was pregnant twice and both times lost her babies due to the violence she suffered in the hands of her husband. As a child I was devastated. I went to a friend who is two years older and the two of us made a promise. We would embrace non violence and fight for equality of all, empowering women and help the underdogs.

I grew up to learn about the legal rights of women and in a country like India, it was an uphill battle. True to my promise, I became an activist, empowering women. I organised a peaceful protest in a small village to stop liquor trucks from entering the village. It took us nearly 7 weeks to get the message that the liquor trucks are not welcome. Slowly the movement gathered momentum and more and more women were able to rid their villages of alcohol and alcohol related mayhem. This helped the women gain self confidence and the men began to respect them and treat them as equals. Believe me, no easy feat in India.

Being a single mum, having divorced my then abusive husband, I focused on finding a way to better my children's future. I migrated to Australia and married a Caucasian man, thinking in my naivete that white men were more supportive of their women. I felt I could settle down. Boy, was I wrong! My husband was everything I rebelled against! So following another divorce, I was once again a single mum. Thanks to Centrelink, I was able to provide for myself and my children. I was very frugal and managed to feed and educate my children. I also realised, domestic violence was rife in this western society as well. I became a volunteer and went into prisons helping both male and female inmates embrace a nonviolent lifestyle. This work took me to many countries around the world. I also set up co-ops in 11 countries in Africa, with the main focus of empowering women.

My children are grown up and well settled in life! Then I met Carry from Cuby! What a blessing! He resonates my values and supports me in my mission. Hence I moved to Cuby. Carry and his friend John Buise, both from Cuby had started the Women's Shed. I am neither a woodworker nor a metalworker, nevertheless I joined the Shed as I am good with promotion work. I soon became the Secretary of the Women's Shed and brought business for us. We opened a dedicated bank account and we have found ways of fundraising.

Above is just the tip of the iceberg! I invite other members of the community to write something about yourselves, so we can meet the locals of this amazing community. Both men and women can call me if you need help in writing something up. Ladies can call me if you are interested in joining the Shed. My number is 0400 910 113.
